

Regent Collection

A robust collection of handmade toasters with a stainless steel top and white body

A robust collection of handmade toasters with a stainless steel top and white body. Standard finish is in epoxy polyester powder paint that is electrostatically bonded to the metal. All manufactured to Rowlett's traditional high standard.

Engineered for reliability, the cost-effective Regent Collection is Rowlett's long-established toaster range, with an enduring popularity in pubs, clubs, restaurants, leisure outlets, hotels, government offices, local authorities, institutions and caring establishments.

Select from a wide choice of bread, sandwich and bun toasters available with variable settings for toasting perfection.

Remove crumbs easily with the convenient pull-out crumb tray. Regent Collection toasters switch off at the end of each cycle, but the toast, sandwich or bun remains warm in the machine until taken out.

Features include

- Bread, bun and sandwich toasters
- Variable timer with 'Toast Ready' ringer
- Neon indicator lamp
- Handmade in the UK by skilled craftsmen
- Every toaster individually tested and certified before leaving the factory
- All parts guaranteed, except elements

Regent Bread

Regent Collection bread toasters come in 2, 3, 4, 6, 8, 10 & 12 slice models. Controlled by a timer, neon indicator lamp and rotary switch slice selector, providing all the control necessary for perfect results.

Regent Sandwich

Regent Collection sandwich toasters are designed to provide optimum energy efficiency by featuring separate timers for each slot. Available in 2 and 4 slot sizes, each with integral plated sandwich holders and heat resistant handles.

Regent Bun

Regent Collection bun toasters come in 2, 4 & 6 slots. Controlled by a timer, neon indicator lamp and slot selector. This provides all the control necessary for one-side toasting applications. With a slot width of 32mm for king size burger buns, muffins, teacakes and crumpets etc.
