

## Product fiche concerning the "COMMISSION DELEGATED REGULATION (EU) No 1060/2010"

|                                                                                                                                                                            |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Trade mark: Siemens                                                                                                                                                        |
| Model Identifier: GS36NAXFV                                                                                                                                                |
| Category of the household refrigerating appliance model: upright freezer (8)                                                                                               |
| Energy Efficiency class: A++                                                                                                                                               |
| Energy consumption 237 kWh/annum, based on standard test results for 24 hours. Actual energy consumption will depend on how the appliance is used and where it is located. |
| Storage volume cooling compartment (l) 0                                                                                                                                   |
| Storage volume freezing compartment (l) 242 / 4 Star                                                                                                                       |
| Frost free: Fridge and freezer                                                                                                                                             |
| Temperature rise time: 25 h                                                                                                                                                |
| Freezing capacity: 20 kg/24h                                                                                                                                               |
| Climate class: SN-T. This appliance is intended to be used at an ambient temperature between 10°C and 43°C.                                                                |
| Airborne acoustical noise emissions: 40                                                                                                                                    |
