

ROIDMI

X30 Cordless Vacuum Cleaner with LED display and App

ROIDMI TOP OF THE LINE cordless vacuum cleaner for vacuuming and wet cleaning!

Intelligent app management

Connect to your smart device via Bluetooth™ for a wealth of information about battery capacity and battery health, cleaning time, remaining dust bin capacity, filter element condition and even the calories you are burning while cleaning. If you just want to clean, there is no need to use the app at all.

LED display

The LED display gives you full overview of the many functions.

BMS-X 2.0 battery system

70 min run time (tested at standard level)

The new BMS-X battery offers extended run time through innovative cell management and the highest quality LG/Samsung lithium batteries. The run time has been increased to 70 minutes per charge (tested at standard level), allowing you to clean up to to 450m² of floors on one charge.

6-level air-purifier filtration and antibacterial coating

X30 offers air-purifier quality, six-level filtration, ensuring any dust and allergens stay in the bin.

Antibacterial filter

ROIDMI X30 is equipped with the Japanese Toray filter, which comes with an ion antibacterial coating to further reduce bacteria in the exhaust.

ROIDMI X30

Cordless vacuum cleaner with LED display and app

X30 is ROIDMI's top of the line in the cordless vacuum cleaner range, sporting superior cleaning ability, long run time per charge and simultaneous vacuuming and wet cleaning option.

Silent, user friendly and with a full range of accessories including innovative app management, ROIDMI X30 is superior in cleaning ability as well as versatility.
