A+++:

Product energy rating, measured from A+++ to D / G depending on the product family.

No Frost:

The No Frost and Frost free systems prevent ice from forming so that no defrosting is required.

Fast freezing:

The fast freezing function brings the temperature of the compartment down when activated a few hours prior to usage.

LED interior lighting:

is a more energy efficient and long lasting way of illuminating the interior of the appliance.

Automatic defrost:

The automatic defrost system works by automatically defrosting the fridge section at regular intervals eradicating the need to defrost altogether.
