

ZCI660EXC FS Cooker

Make even the most complex meals simple to prepare

This large-capacity oven is specially designed to cook several different dishes at once, taking all the stress out of preparing a meal.

The effortless way to a clean oven

You can keep this oven clean with doing hardly any cleaning. Its special catalytic lining absorbs grease before burning it up at high temperatures.

Get twice the cooking capacity with two oven cavities

Let's face it in the kitchen, you don't always have the luxury of being able to do things one at a time. Luckily, with two oven cavities, you can easily bake and grill simultaneously – getting your meal onto the table much faster.
